RING SIZE FINDER

OPTION 1:

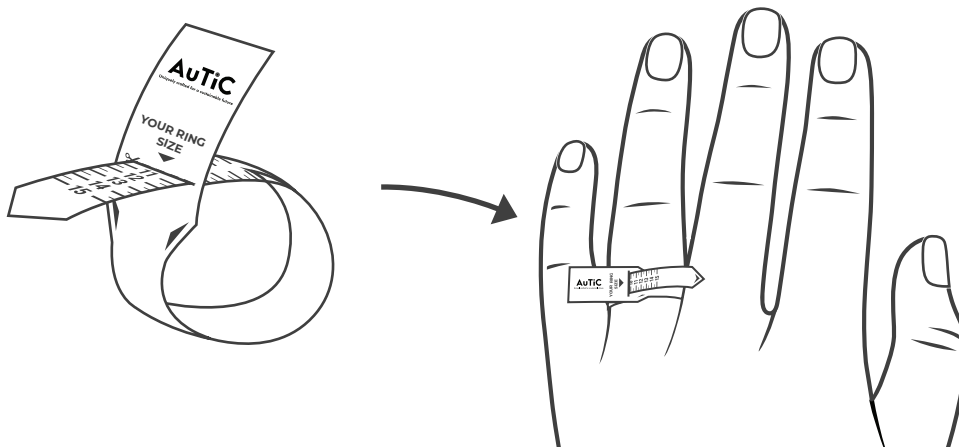

STEP 1: To ensure that the printed size is calibrated correctly, make sure that your credit card fits perfectly within the box below. (or measure 3.5 in / 8.89 cm)

STEP 2: Fully cut out the SizeFinder below followed by the small slit close to the top.
Tip: Don't pull it too tight as you will want your ring to be able to slide snug over the knuckle

STEP 3: Wrap the SizeFinder around the widest part of your finger and slide the point through the small slit close to the top. (The measurement here is in cm, refer to the chart below to find out the measurement in mm)

Tally the measurement with the size chart below and once you know your size, head over to [auticworld](http://auticworld.com) to place the order for your ring .
